**From now on we will no longer only crochet in the back loops. So pay attention 😊 we also work in rows.**

**Row 08: front loops only**, skip the 1<sup>st</sup> stitch, 25 sc, Ch 1, turn (25)

**Row 09: back loops only**, skip the 1<sup>st</sup> stitch, 24 sc, Ch 1, turn (24)

**Row 10: front loops only**, skip the 1<sup>st</sup> stitch, 23 sc, Ch 1, turn (23)

**Row 11: back loops only**, 23 sc, Ch 1, turn (23)

**Row 12: front loops only**, skip the 1<sup>st</sup> stitch, 20 sc, skip 1 stitch, 1 sc, Ch 6, turn (21)

**Row 13: front loops only**, 1 slst, \*Ch 6, 1 slst\* rep \*\* to end of row (21slst + 21chains)

*We'll crochet from now on in all the remaining loops of the previous rounds and rows. So when it says "turn", you turn your work towards the row above the last edited row*

**Row 14:** Ch 6, 1 slst in the row end, continue in the remaining loops of row 12, \*Ch 6, 1 slst\* rep \*\* to end of row, turn

**Row 15:** Ch 6, 1 slst in the row end, continue in the remaining loops of row 11, \*Ch 6, 1 slst\* rep \*\* to end of row, turn

**Row 16 – 18:** repeat row 14 and 15, one row higher than the previous one.

- If you have worked well you will be just above the chains of round 7.
- You can now work in 2 ways.
- Or crochet in rows from the corner where you are now to the other corner of the pony and back. So you go back and forth to the MR and then you have a small piece that you do in the same way.
- Or tie off now and start again in continuous rounds in the MR. This way, however, you get a very different effect in the hairstyle (looks more like a flower)

I used the first way.

When all loops are used, fasten off with a long thread. Sew the wig onto the head. If the wig is much too big, you have not stuffed the head enough. 😊
