Crochet another sole using colornr **506** from rnd 1 to rnd 3. **DON'T fasten off**. Place the sole on a piece of cardboard and draw the outline. Cut out the shape on the inside of the line. If necessary, trim to make the cardboard fit nicely.

Now place the sole with the right side down against the sole of your shoe. Crochet the soles together as follows; With the sole facing you, * take the next stitch on the sole AND the opposite remaining loop on the shoe (see photo) and crochet 1slst *, repeat ** until the end of row. Finish with 1slst in the 1st stitch and fasten off. Don't forget to put your cardboard in between before you have completely crocheted around.

Crochet the Softy round.

With the sole away from you and hook 2.5 mm, attach with 1sc in the 1st remaining loop of round 16 at the back (see photo), sc in each loop, close with 1slst in the 1st stitch. **(18)**
