Stuff the body firmly.

Crochet the arms on the body as follow.

Take the left arm. De slst is the first stitch you will use to attach the arm on to the body.

Rnd 23: 9sc, insert your crochet hook through the slst of the left arm AND into the next stitch of the body (see photo 1), sc 1, repeat in the next five stitches, 13sc, insert your crochet hook through the marked stitch of the right arm AND in the next stitch of the body, sc 1, repeat for the next five stitches, 2sc**(36)**

Hooked arms, photos are of a different pattern from me. Principle remains the same.

Rnd 24: 9sc, 6sc on the unworked stitches of the left arm, 13sc on the body, 6sc on the unworked stitches of the right arm, 2sc **(36)**

Stuff firmly till you reach under the arms. Fold the remaining pipe cleaner in the body towards the arm.

Rnd 25: *4sc, sc2tog* x 6 **(30)**

Rnd 26: *3sc, sc2tog* x 6 **(24)**

Stuff firmly, especially on the shoulders. Make sure that you do not make the arm too thick when you stuff the shoulders. ☺

Rnd 27: *2sc, sc2tog* x 6 **(18)**

Rnd 28: *1sc, sc2tog* x 6 **(12)**

Rnd 29 - 31: sc in each stitch **(12)**

Stuff the neck tightly. I placed an iron wire in the neck for reinforcement. Take a piece of iron wire of approximately 15 cm and fold it double. Twist the thread together and put a piece of tape around the end to avoid sharp edges.

Hecht af, rijg je draad door de voorste lussen van de overblijvende steken en trek hem vast. Werk alle einddraadjes onzichtbaar weg.

Facial expression:

Take a long thread in skin color. Enter the head in the back, and come out on the outside of the first eye (photo 1). Turn the thread clockwise, and enter in the head on the same place you came out (photo 2). Pull thread so the eye will "indent". Do the same with the other eye. Make a knot in the ends and hide loose ends.

Hide all loose ends.

Embroider the nose 1 round below the eyes.

Embroider the mouth 2 rpm lower than the nose. Put some blush on the cheeks and stick some eyelashes on top of the eyes.
