We make another sole first!

Crochet another sole using **colornr 406** from round 01 to round 04, **No colorchange!** Place the sole on the cardboard and cut out the exact form of the sole. Make sure it fits nicely.

Place the sole with good side below, against the sole of the shoe. Crochet the two soles together as follow; take the next stitch one the sole AND the first remaining loop of the shoe (see photo), *slst*, repeat ** to end of round. Close round with a slst in the 1^e st and **FO.** Do'n forget to put the cardboard in between!!!

Photo is from one of my other patterns, but the principle remains the same.

Continue with the shoe

Rnd 06 - 09: sc in each stitch   **(42)**

Underskirt:

Using **colornr 113**

Instead of using a chain, we'll use double crochet to start. If you don't know how to do this, please click the link below.. Wendy Rademaker explains it very well.

Leaving tail of 20 cm to start. Double crochet 48. The 3 chains **don't** count as a dc. Close round with slst in the first dc.

Rnd 01: *in **back loops only**,* Ch3 (count as first dc), dc2 in same stitch, *dc3 in each back loop*, rep ** to end of round, close round with slst in top chain **(144)**

Rnd 11: *in **back loops only**,* Ch2, hdc in each st, close round with slst in top chain

Rnd 12: *sc, dc2 in 1, dc3 in 1, dc2 in 1, sc, slst* rep ** to end of round, close round with slst 1e st.
