Using **Colornr 253**: Make another sole starting from rnd 01 to rnd 03. **Do NOT fasten off.**

Put the sole on a piece of cardboard and round the circumference. Cut out the shape on the inside of your drawing. Cut if necessary more to fit the cardboard on the sole. (photo 1)

Place the sole, right side facing down, against the sole of the slipper. Slst the soles together using each stitch on the sole and each stitch of the remaining loops of the slipper (photo 2). Don't forget to put the cardboard in between the 2 pieces before finishing.

Fasten off. Hide all loose ends. Glue some decoration on top of the slipper.
