It's simple and much faster than tying threads & I used 3 threads per row. And in total I sewed the hair over 33 rounds. Starting between 4<sup>th</sup> and 5<sup>th</sup> round above eyes. Then make a braid on each side of the head.

- You can make the bow with a pipe cleaner. Make a loop at each corner of 1cm. Take a light brown wire the length of the pipe cleaner. Make a slip knot on either side that you hang in the loop of the pipe cleaner. (put 1 side in loop first) Now wrap dark brown thread tightly around the pipe cleaner. Once you've reached the end, slide the 2nd slipknot into the loop. Continue yarn to the end. Glue the end with good UHU glue.

*Done!! Enjoy ☺*
